

## CHURCH NOTICES

**BLESSING OF GRAVES:** This weekend and in 'normal circumstances', we would be celebrating Cemetery Sunday in our parish. Due to the Corona Virus, this cannot take place in our parish in 2020. The graves in all 3 Cemeteries, St. Mary's, Jamestown and Kiltoghert were blessed by our 3 priests during the past week. For many people, attending at the graveside of a loved one who has died, on Cemetery Sunday, is a very important event. It is a way of honouring, remembering and praying for those who have died as well as an important means of acknowledging their special place in our lives. Accordingly, we would encourage our parishioners to try and visit the graveside of their loved ones at some time during the coming month. This can be a family event or can take place in an individual way. In our mass at 9 am today we will be remembering and praying for all the deceased of our parish, especially those who have died over the past year.

**CELEBRATION OF CONFIRMATION:** We take this opportunity to congratulate all the young boys and girls who received the Sacrament of Confirmation in St. Mary's Church, over the past two weekends. We also thank their teachers and all who helped to make this a special celebration for everyone.

**CHURCH COLLECTIONS:** We take this opportunity to express our deep gratitude to all those who continue to contribute to our various collections. We are especially thankful to the many people for their great generosity during the months when we could not celebrate public masses. At present, we are unable to take up a Sunday collection at our 3 masses in St. Mary's Church as we used to. However, there is a box at the entrance, where you can place your envelopes or donations. You will be guided by our volunteers when you enter the church.
