

I Worried

I worried a lot. Will the garden grow , will the rivers
flow in the right direction, will the earth turn
as it was taught, and if not how shall
I correct it?

Was I right, was I wrong, will I be forgiven,
can I do better?

Will I ever be able to sing, even the sparrows
can do it and I am, well,
hopeless.

Is my eyesight fading or am I just imagining it,
am I going to get rheumatism,
lockjaw, dementia?

Finally I saw that my worrying had come to nothing.
And I gave it up. And took my old body
and went out into the morning,
and sang.
