

## Baptism of the Lord.

We are created in the image and likeness of God. This is the dignity that every human person possesses. In baptism, however, we receive a new dignity. Through the gift of baptism, we are immersed into Jesus' death and resurrection. Baptism is the gateway into the Christian life. Through it we are made children of God, born again by the Spirit and partakers in the divine nature. In baptism we are made a new creation and witnesses to a new humanity. We express this new humanity, this new life, in love and service of others. By treating people with dignity, respect and reverence we become a living sign of our baptism, a living sacrament of God's love in the world.

Lord God, we have seen your light  
radiating from your Son's birth at Bethlehem,  
from his Epiphany,  
and from his Baptism.

Bless our lives as now we return to our routines,  
refreshed by the wonder of the Incarnation.
