THE JOYFUL MIND

When your mind does not need to be right.

When you no longer need to compare yourself with others.

When your mind can be creative, without needing anyone to know.

When you can live in contentment with whatever the moment offers.

When your mind follows the intelligent lead of your heart.

When your mind is curious and interested, not suspicious and interrogating.

When your mind does not “brood over injuries”.

When your mind does not need the future to be better than today.

When your mind can accept yourself as you are, warts and all.

When your mind does not divide and always condemn one side or group.

When your mind can critique and also detach from critique.

When your mind can wait, listen and learn.

When your mind can live satisfied without resolution or closure.

When your mind can forgive and actually “forget”.

When your mind doesn't need to complain or worry to get motivated.

When your mind can find God in all things.
