

## MOTHER'S DAY:

Loving God, we thank you for mothers – for all they mean or have meant, for the love they have shown and the care they have given. We thank you for the qualities of our mothers – their patience, their kindness, concern and understanding. We thank you for the part they play in our lives, and we thank you for this day of saying ‘thank you’ this opportunity to say what we so often mean to say but so rarely do. For our mothers we bring you this day our grateful praise, and we ask your blessing upon them. Through Christ our Lord.

**4th Sunday of Lent, B.** “God loved the world so much that he gave his only Son” – who loved us so much that he died so we could have eternal life. This passage in the Gospel is at the heart of our understanding of the sacrifice of love, which is the Eucharist. What does God ask in return for this great love? Jesus gave us the answer in one of the gospel passages we read during the past week – that we love God and love our neighbour. In the season of Lent, we are reminded that we cannot love God if we do not love our neighbour, and we are asked to do something positive, something practical to show that love and concern.
