

I May Never See Tomorrow

I may never see tomorrow,
there's no written guarantee
and things that happened yesterday
belong to history.

I cannot predict the future,
I cannot change the past,
I have just the present moment,
I must treat it as my last.

I must use this moment wisely
for I soon will pass away,
and be lost forever,
as part of yesterday.

I must exercise compassion,
help the fallen to their feet,
be a friend unto the friendless,
make an empty life complete.

The unkind things that I do today
may never be undone,
and friendships that I fail to win
may nevermore be won.

I may not have another chance
on bended knees to pray,
to thank God with a humble heart
for giving me this day.
