16th Sunday, B. Mark 6:30-34

We can make all sorts of excuses for not taking the time to seek that 'lonely place'
with the Lord. Finding time for prayer each day is no easy task. We can find our-
selves distracted by so much that spending time at something that seems to have no
immediate payoff ends up low on our list of priorities. Yet Jesus reminds his disci-
ples that quiet time in prayer is fundamental for balance and proper perspective.
Where do you seek to be alone, to seek God and replenish your soul?

Take time to think;

it is the source of power.

Take time to read;

it is the foundation of wisdom.

Take time to play;

it is the secret of staying young.

Take time to be quiet;

it is the opportunity to seek God.

Take time to be aware;

it is the opportunity to help others.

Take time to love and be loved;

it is God's greatest gift.

Take time to laugh;

it is the music of the soul.

Take time to be friendly;

it is the road to happiness.

Take time to dream;

it is what the future is made of.

Take time to pray;

it is the greatest power on earth.
