

## WHAT I HAVE LEARNED SO FAR

*Meditation is old and honourable, so why should I not sit, every morning of my life, on the hillside, looking into the shining world? Because, properly attended to, delight, as well as havoc, is suggestion.*

*Can one be passionate about the just, the ideal, the sublime, and the holy, and yet commit to no labour in its cause? I don't think so.*

*All summations have a beginning, all effect has a story, all kindness begins with the sown seed.*

*Thought buds towards radiance. The gospel of light is the crossroads of— indolence, or action.*

*Be ignited, or be gone.*

*Mary Oliver*
