

Transformation at Cana

The changing of water into wine
Is a symbol, a wonderful statement
of what Jesus is all about.

When the wine runs out, Jesus steps in.

Why does He do this?

Because He wants so much to show us:

how lavish and generous is His help;

how literally overflowing is His kindness;

how much He wants to enliven our spirits;

how much He wants to inebriate us with His love.

He changed beyond recognition the lives of those
who came in contact with him.

Lord, touch our hearts with your love.

Satisfy out thirsty souls with the wine of gladness.

Strengthen our wills with your grace

so that we may persevere in goodness

and in your mercy bring us to the

wedding feast with you in your kingdom.
