MOTHER'S DAY: Sunday March 27th'22:

This is the day when we honour all mothers and what has now become an important annual event. It gives families an opportunity to show their appreciation for mothers and grandmothers and to acknowledge the central place a mother has in the life of her family. We take this opportunity to salute all the mothers of our parish and we also remember those mothers who have now gone to their eternal reward and are greatly missed by their families.

A Mother's Love

No gift on earth is greater.

No treasure held above,

The joy that comes from knowing,

A Mother's endless love.

In spite of how it's tested,

It grows from year to year

Providing strength and comfort,

It gently draws us near.

It warms and it protects us,

And guides us from afar,

Shedding light upon us,

Like a bright and shining star.

And when all things are measured,

Not one shall rise above,

Or be compared in value,

To a Mother's endless love.
